**THIS AGREEMENT** is entered into on January, 1, 2023, between the Charter Township of Meridian, (the "Township") and Capitol City Labor Program, Meridian Township Police Supervisory Unit, (the "Union").

**WHEREAS**, the Township and the Union recognize that providing quality police service for the protection of the persons and property in Meridian Township is their mutual aim and that the character of the quality, performance, cooperation, and morale of the supervisory Police Officers employed by the Township is a mutual concern; and,

**WHEREAS**, the Township and the Union have agreed to bargain collectively, pursuant to the Public Employment Relations Act (Act 379 of the Michigan Public Acts of 1965) with respect to hours, wages, terms, and conditions of employment of the police officers; and,

**WHEREAS**, the parties have reached certain understandings that they desire to confirm in this Agreement;

#### THEREFORE, IT IS AGREED AS FOLLOWS:

#### **ARTICLE 1: RECOGNITION**

**Section 1.** The Township recognizes the Union as the exclusive and sole bargaining representative for all full-time, regular\*, salaried supervisory employees of the <u>Meridian Township Police Department</u>, employed whose positions are classified as Sergeant, Detective Sergeant, Lieutenant and Captain excluding the Assistant Chief of Police. The term "Officer," as used hereafter in this Agreement, shall refer to all employees represented by the Union in the bargaining unit.

\*Definition. Regular refers to full-time employees employed throughout the year who have completed their formal or informal probationary period as distinguished from seasonal, probationary, and temporary employees.

**Section 2**. The Township agrees not to bargain with regard to the salaries, hours, or working conditions of the members of this bargaining unit with any labor organization other than the Union for the duration of this Agreement.

Pursuant to Acts No. 9 & 25 of the Public Acts of 2011, effective March 16, 2011 and May 11, 2011 respectively, amending 1947 PA 336 section 15 (MCL 423.215):

- (7) "Each collective bargaining agreement entered into between a public employer and public employees under this act after the effective date of the amendatory act that added this subsection shall include a provision that allows an emergency manager appointed under the local government and school district fiscal accountability act to reject, modify, or terminate the collective bargaining agreement as provided in the local government and school district fiscal accountability act. Provisions required by this subsection are prohibited subjects of bargaining under this act."
- (8) Collective bargaining agreements under this act may be rejected, modified, or terminated pursuant to the local government and school district fiscal accountability act. This act does not confer a right to bargain that would infringe on the exercise of powers under the local government and school district fiscal accountability act.
- (9) A unit of local government that enters into a consent agreement under the local government and school district fiscal accountability act is not subject to subsection (1) for the term of the consent agreement, as provided in the local government and school district fiscal

accountability act.

The provisions related to Emergency (Finance) Managers are inserted by law, not by bargaining of the parties. If relevant law is overturned or found unenforceable, these clauses will not be executed by the Labor Agreement.

#### **ARTICLE 2: TOWNSHIP RIGHTS**

**Section 1**. The Union recognizes that the Township reserves and retains, solely and exclusively, all rights to manage and operate the Township's affairs.

**Section 2**. The Township, on behalf of its electors, hereby retains and reserves exclusively unto itself, all powers, rights, duties, and responsibilities conferred upon and vested in it by the laws and the Constitutions of the State of Michigan and the United States. Such right, by way of illustration, but not limitation, being partially set forth as follows:

- A. To manage its affairs efficiently and economically, including the determination of the quantity and quality of services to be rendered, the control of material, tools and equipment to be used, and the discontinuation of any materials or methods of operation that it deems necessary for the public good.
- B. To introduce new equipment, methods, procedures, change or eliminate existing equipment and methods, and to decide on material, supplies, equipment, and tools to be purchased and used.
- C. To determine the type, number, and location of all facilities, materials, equipment, and installations.
- D. To hire, assign, transfer, promote, demote, discharge and discipline, and lay off employees in accordance with applicable state law and in accordance with this Agreement.
- E. To supervise and direct the work force, assign work, and determine the number of employees assigned to operations whenever and wherever the same shall be deemed necessary and proper by the Township.
- F. To establish, change, combine, or discontinue job qualifications, and prescribe and assign job duties, content and classification, and to establish wage rates for any new or changed classifications.
- G. To determine lunch, rest period, department meeting times and places, starting and quitting times, and the number of hours to be worked.
- H. To establish work schedules.
- I. All rights, functions, powers, and authority that the Township has not specifically abridged, delegated, or modified by this Agreement are recognized by the Union as being retained by the Township. The Township shall have the right to amend, supplement, or add to its written rules and regulations during the term of this Agreement, provided, however, the Township shall notify the Union of any such amendments, supplements, or additions at least five (5) days in advance of their effective date except in cases of emergency. Such written rules shall be reasonable

- and shall relate to the proper performance of the Officer's duties and shall not be applied in a discriminatory manner.
- J. To determine the size of the work force and to increase or decrease the same; to abolish, restructure, or consolidate the department; to contract police work out in whole or in part, when necessary, subject only to the applicable terms and term of this Agreement.
- K. To permit Officers and employees not included in the bargaining unit to perform bargaining unit work when, in the opinion of the Township, this is necessary for the conduct of municipal service.
- L. To select employees for promotion or transfer to supervisory or other positions, and to determine the qualifications and competency of employees to perform available work.
- M. To discipline, up to and including termination of employment, provided that all discipline is for just cause unless otherwise provided in this Agreement.

**Section 5**. The Township agrees to notify, except in cases of emergency, the Union of any amendments to the Township personnel policy and department regulations in advance of their effective date.

**Section 6**. The applicability of this Article shall be limited only by the specific terms and conditions as provided in this Agreement. It is recognized by the parties that Article 2 reserves and grants to the Township specific rights, subject to the provisions of this labor agreement, and prerogatives and is not merely a general reservation of rights. The rights granted to the Township are substantive and intended to be fully enforced by the parties. They are not a mere recital of rights.

### **ARTICLE 3: UNION RIGHTS**

**Section 1. General.** The Union, or any committee thereof, shall have the right to use the facilities of the Meridian Township Hall, without charge, for Union meetings. Proper clearance for the use of the facilities shall be obtained from the appropriate Township official prior to scheduling any meeting. Meetings shall be conducted in a manner that shall not be disruptive to the normal functioning of the police department.

The Township will provide space within the Township Hall or Public Safety Building for a bulletin board to be used by the Union for posting non-political notices of interest to its members. The Union will not use the bulletin board for notices prejudicial to any Township elected or administrative officials.

Officers' personnel files shall be kept under the direct control of the Township Human Resources Director.

- A. The Township will not allow anyone other than authorized personnel to read, view, have a copy of, or in any way examine in whole or in part, an Officer's personnel file or any document that may become a part of a personnel file.
- B. An Officer may, by right, view their own personnel file as to its total content, except the background investigation report, upon written request to the Police Chief or Human Resources Director. The Township agrees not to divulge the contents of the

Officer's file without a written release from the employee concerned or as required by law. The Township will notify the employee if a request for the contents of the file are requested.

- C. All Officer personnel files must be kept and maintained in the confines of the Township Hall so as to secure privacy.
- D. It is understood by both parties that the Township Manager may review the Department personnel files.

Past infractions may only be used in administering discipline up to a three (3) year period. After the three (3) year period, past infractions shall not be used against any employee in the bargaining unit, unless it is part of an ongoing grievance, in which case it shall remain in the file until such time as the grievance is resolved. Counseling memos shall not be placed in the Officer's personnel file, but shall be filed in a file separate from the personnel file.

The Township will not discriminate against any Officer because of membership in the Union. Membership in the Union shall not be denied to any member of the bargaining unit.

**Section 2. Union Security & Checkoff**. The Township agrees to deduct from the salary of each individual employee in the bargaining unit, who voluntarily becomes a member, the Union dues subject to all of the following subsections:

- A. The Union shall provide and obtain, from each of its members, a completed Checkoff Authorization form which shall conform to the respective state and federal laws concerning that subject or any interpretations made thereof or, as an alternative allow any employee so desiring to pay their dues in increments or a lump sum.
- B. All Checkoff Authorization forms shall be filed with the Human Resources Director who may return any incomplete or incorrectly completed forms to the Union Treasurer, and no checkoff shall be made until such deficiency is corrected.
- C. The Township shall checkoff only obligations that come due at the time of checkoff, and will make the checkoff deduction only if the employee has enough pay due to cover such obligations, and will not be responsible for refund to the employee if they have duplicated a checkoff deduction by direct payment to the Union.
- D. The Township's remittance will be deemed correct if the Union does not give written notice to the Human Resources Director, within two (2) weeks after a remittance is sent, of its belief, with reasons stated therefore, that the remittance is incorrect.
- E. Any employee covered by the terms of this Agreement may join or terminate membership in the Union by written notice to the Union and Human Resources Director, and the amount owing the Union shall reflect accordingly with the next payment from the employee and due to the Union.
- F. The Union shall provide at least thirty (30) days written notice to the Human Resources Director of the amount of Union dues to be deducted from the wages of employees in accordance with this Article. Any change in the amounts determined will also be provided to the Human Resources Director at least thirty (30) days prior to its implementation.

G. The Union agrees to defend, indemnify, and save the Township harmless against any and all claims, suits or other forms of liability arising out of its deduction from an employee's pay of Union dues or in reliance on any list, notice, certification, or authorization furnished under this Article. The Union assumes full responsibility for the disposition of the deductions so made once they have been sent to the Union.

## **ARTICLE 4: UNION REPRESENTATIVES**

**Section 1. Collective Bargaining Committee.** The Township agrees to recognize not more than four (4) representatives. These representatives shall be composed of two (2) members of the Union and two (2) non- Union members who shall be designated by the Union. The Union will furnish the Township with a written list of the Union's bargaining committee prior to the first bargaining meeting and substitute changes thereto, if necessary.

**Section 2**. In all cases where members of the unit are negotiating, time spent in negotiations shall equal gap time prior to reporting for duty, schedule permitting. Time spent in negotiations shall be credited as duty time either:

- A. To allow a late shift start; or,
- B. To allow an early release with the gap time (time spent in negotiations) credited at the end of the shift;
- C. In all cases, an individual shall be paid for the entire shift.

A minimum of six (6) hours should be allowed between the end of negotiations and start of a new shift. Anything less than six (6) hours shall qualify as gap time. If an Officer must go immediately on duty on their scheduled shift, that time which would normally be gap time will be credited to the Officer as compensatory time. The Chief's decision shall be final and shall not be subject to grievance. Gap time shall be limited to a maximum no greater than the amount of time spent in attending negotiating sessions.

**Section 3**. Officers may be represented by a Union representative for each work shift. The Union shall furnish the Township with a list of the representative's names and their assigned areas and shall keep the list current at all times. Alternate representatives may be appointed by the local Union President to serve in the absence of the regular representatives.

**Section 4**. When requested by an Officer, a representative may investigate any alleged or actual grievance in their assigned work area and assist in its presentation. They may be allowed reasonable time, therefore, during working hours without loss of time or pay, upon notification and prior approval of their immediate supervisor outside the bargaining unit.

**Section 5**. When an Officer presents their own grievance without intervention of a Union representative, the Union shall be given a copy of all results and settlements.

**Section 6**. A non-employee Union representative may consult with Officers in assembly areas before the start of each work shift or after the end thereof. Before entering the assembly area, notification must be given to the Chief or their designee.

#### **ARTICLE 5: HOURS AND RATES OF PAY**

**Section 1**. Officers may be required to be on duty either a minimum of eight (8) consecutive hours during each scheduled working day for a total of five (5) consecutive days of eight (8) hours each, or a minimum of ten (10) consecutive hours during each scheduled duty day for a total of four (4) consecutive days of ten (10) hours each, except as excused by the Chief. Any time in excess of the minimum duty hour day, to be established by the Township according to the above alternative, shall constitute overtime. The Township has implemented the four (4) day/forty (40) hour week schedule, but reserves the right, as hereinafter stated, to change said schedule if deemed in the best interest of the Township, the Officers, and the community. Said change will not take place prior to sixty (60) calendar days due notice and adequate consultation with the bargaining unit. The Township may adopt different schedules for different Officers. The Union fully realizes that while the 4-day/40 hour week schedule creates certain Departmental efficiencies, it also results in an additional fifty-two (52) days off for Union members. Work schedules will be reasonable.

**Section 2**. Detectives and non-road personnel shall be required to be on duty for a total of five (5) days a week consisting of eight (8) hours each excluding the lunch break; except as excused by the Chief.

**Section 3**. An Officer shall receive an hourly rate for services performed as set forth in Appendix A attached hereto.

**Section 4**. All overtime shall be reimbursed at the rate of one and one-half (1-1/2) times the regular hourly rate and shall be paid at the end of the next regularly scheduled pay period after the overtime is earned.

An Officer may, in lieu of payment for overtime, receive compensatory time off at the straight time rate. Compensatory time will be earned at the rate of one and one-half (1-1/2) hours for each hour of overtime worked. Compensatory time shall be authorized by the Officer's immediate supervisor at the time they are instructed to perform the compensatory time service and shall be accounted for on a form furnished by the Chief and signed by the Officer's immediate supervisor. Authorization for overtime shall not be unreasonably withheld. No accumulation of compensatory time shall be authorized or credited in excess of sixty (60) hours, except in an emergency situation. Accumulated compensatory time in excess of sixty (60) hours shall be dissipated during the pay period following the one in which the compensatory hours were accumulated, or the time will be forfeited unless authorization, in writing, to extend the time beyond the following pay period is obtained from the Chief.

To the extent possible, individual preference in the use of compensatory time will be honored. The use of all compensatory time shall be subject to the Chief's approval. The decision of the Chief shall not be subject to the grievance procedure.

The Department has an obligation to honor reasonable requests for use of compensatory time, but also has an obligation to the citizens of the Township to maintain quality police service for the protection of persons and property in the Township.

**Section 5**. Overtime shall be authorized by the Officer's immediate supervisor at the time they are instructed to perform the overtime service and shall be on a form furnished by the Chief and

signed by the Officer's immediate supervisor. Authorizations for overtime shall not be unreasonably withheld.

**Section 6**. Upon resignation, discharge, or retirement from the employ of the Township, all accumulated compensatory time shall be paid to the Officer in full. Upon the death of an Officer, all accumulated compensatory time shall be paid to the Officer's spouse or estate in full.

**Section 7. Court Time**. If an Officer is subpoenaed into Court, the Officer shall be paid (if off duty) a minimum of two (2) hours at the rate of time and one-half (1-1/2) the Officer's hourly rate, unless such time shall extend past two (2) hours, in which event the Officer shall be paid time and one-half (1-1/2) for the exact hours or portion thereof so worked.

If an Officer has to go to Court to validate a Complaint/Warrant, the Officer shall be paid (if off duty) a minimum of two (2) hours at the rate of time and one-half (1-1/2) the Officer's hourly rate, unless such time shall extend past two (2) hours), in which event the Officer shall be paid time and one-half (1-1/2) for the exact hours or portion thereof so worked. Time and one-half (1-1/2) the Officer's rate of pay shall be paid for all matters (including by way of illustration, trips to the Prosecuting Attorney's Office, Probate Court appearances, License Appeal Board hearings, and Liquor Control Commission hearings) that occur beyond an Officer's normal duty shift, with a payment of a minimum of two (2) hours at the rate of time and one-half (1-1/2) of the Officer's hourly rate of pay, unless such time worked shall extend past two (2) hours, in which event the Officer shall be paid time and one-half (1-1/2) for the exact hours or portion thereof so worked.

Court times that occur adjacent to regular duty shifts will be paid at time and one-half (1-1/2) for all continuous time prior to, or extending beyond, an Officer's regularly scheduled shift.

In no case will the Officer pyramid time and one-half (1-1/2) pay on top of regular shift pay, nor will the two (2) hour minimum at time and one-half (1-1/2) apply in cases of court time that overlap or are contiguous to either the beginning or end of a regularly scheduled shift.

**As an illustration**: If an Officer is in court from 2:30 until 3:30, and off duty, then they report for duty on a regular shift, they will be entitled to two (2) hours minimum at time and one-half (1-1/2).

If an Officer is in court from 3:30 until 4:30, when normally off duty until 4:00, then reports for a regular shift, they are not entitled to two (2) hours minimum at time and one-half (1-1/2).

If there is any break (time wise) between the end of court duty and the normal starting time of a regular duty shift, the two are  $\underline{not}$  contiguous nor overlapping, and the two (2) hour minimum at time and one- half (1-1/2) will apply.

Any Officer, while off duty, who is required to attend Court, validate a Complaint/Warrant, or attend any administrative hearing as outlined in this Section, may elect at their option to use a privately owned vehicle, providing such appearance is held within Ingham County, or at the State Secondary Complex, or they may elect to pick up a Township vehicle if available.

Mileage for privately owned vehicles shall be computed from the Officer's house of residence to the place of hearing by the most direct route and paid at the then Township standard rate. This will not exceed sixty (60) miles round trip.

The Officer shall keep any mileage allowance received in connection with the above types of proceedings, provided they are not using a Township vehicle, or provided they are not being

reimbursed for mileage for use of a privately owned vehicle at the standard rate by the Township. If a Township vehicle is used, or the Officer is reimbursed for mileage at the standard rate for use of their privately owned vehicle, the mileage allowance will be turned in to the Department.

The Officer shall turn in any statutory witness fee paid to them by the Court.

No adjustment to court overtime compensation will be made because of mileage allowances or statutory witness fees paid to the Officer that are not subject to the above turn-in provisions. Such adjustment will take place only in lieu of turning in the required fee/allowance to the Department.

**Section 8**. All hours worked due to call back immediately preceding the Officer's normal work day shall be compensated at the rate of one and one-half (1-1/2) times the regular hourly rate. All hours worked due to call back not immediately preceding the officer's normal work-day shall be compensated at one and one-half (1-1/2) times with a minimum of two hours.

**Section 9. Work Schedule**. A shift schedule will be posted once every thirty (30) days indicating the normal work day of every Officer. Said schedule shall be posted at least thirty (30) days prior to its effective date. Changes may be made in the posted shift schedule by the Chief as may be required to meet the needs of the Department.

**Section 10. Longevity**. The Township agrees to pay longevity according to the following schedule:

Five (5) thru nine (9) years	\$320.00
Ten (10) thru thirteen (13) years	\$640.00
Fourteen (14) thru seventeen (17) years	\$960.00
Eighteen (18) years and over	\$1,280.00

Longevity payments shall be paid in a lump sum at the first regular pay period following achievement of the scheduled anniversary date that makes the Officer eligible for the longevity payment. For purposes of computation, years of service shall be measured from the first day of employment with Meridian Township as an Officer.

In the event of split, interrupted, or non-continuous service, longevity computations shall only be based on the last period of continuous service to the Township.

All members will be required to utilize direct deposit or for all pay transactions.

**Section 11. Special Duty**. Officers doing undercover work shall receive their out-of-pocket expenses necessarily and actually incurred in the performance of their duties, provided such expenses are approved by the Township.

**Section 12. Lunch Period**. All road Officers are to be allowed 1/2 hour paid lunch period to be taken at a convenient time during their tour of duty. The Officer is paid for this time to recognize that they are on call and that their lunch time will vary and possibly may be interrupted by the needs of the Department.

Non-Road Officers are normally <u>not</u> subject to the unpredictability of irregular lunch period times and the possibility of interruption. They are therefore allowed one (1) hour of unpaid lunch. In keeping with the Township policy of flextime, the non-road Officer may, with the concurrence of the Chief, vary their lunch period length and their starting or quitting time accordingly. Such adjustment shall not interfere with the needs and efficiency of the Department.

#### **ARTICLE 6: INSURANCE AND PENSION**

**Section 1. Life Insurance**. The Township shall provide each Officer with standard group life insurance coverage. Officers shall be insured in an amount equal to the Officer's salary to the next multiple of \$1,000.00 but not less than \$10,000.00. The entire cost of the insurance shall be borne by the Township.

**Section 2. Accidental Death and Dismemberment**. The Township shall provide each Officer with insurance coverage against accidental death or dismemberment, wherever or however it occurs, which shall be in addition to benefits provided by workers compensation and other insurance programs listed herein. The coverage afforded shall be in an amount equal to the Officer's salary to the next multiple of \$1,000.00, but not less than \$10,000.00.

## Section 3. Health and Hospitalization.

- A. The Township shall provide each employee and family with medical and hospitalization coverage selected through the Healthcare Coalition and ratified by the Union. The Union agrees to participate in a Healthcare Coalition involving CCLP and other Township employee groups to discuss and evaluate insurance options. Any changes proposed by or to the Healthcare Coalition, contrary to current contract language, must be ratified by CCLP members. The unit is subject to Public Act 152 of 2011 which shall limit the Township contribution for all medical insurance expenses as described in PA 152.
- B. Subject to the selection of coverages by the Healthcare Coalition, the terms of any such coverage and the provisions of PA 152 of 2011, the Employer shall deposit, if any, an annual Health Savings Account (HSA) contribution into each employee's Health Savings Account (HSA) in one installment that that will be made in January, and will cover January through December.
- C. The Township reserves the right to substitute another plan and/or carrier of this coverage; the fundamental provisions of the present coverage will not be changed.
- D. An employee who has dual medical insurance coverage may, at their option, elect to refuse medical insurance coverage provided by the Township. Such election shall be in writing. The Township shall pay any employee entitled to and refusing medical insurance coverage an amount equal to the current single monthly premium rate for each month not to exceed \$375 per month (or higher if agreed to or arbitrated by POAM) in which medical insurance coverage is not provided.
- E. Officers, who are hired and/or promoted into the unit and become married after January 1, 2009, whose spouse is also employed by the Township may only be covered under one joint contract and are not eligible to receive a health insurance opt out payment.

**Section 4. Accident and Sickness Income**. The Township shall provide accident and sickness income insurance for injuries and sickness of any type; which shall be in addition to and in supplement of the sick leave benefits granted to each Officer. Said insurance shall provide each Officer sixty (60%) percent of their weekly earnings with a maximum of \$3,500 per month for the

length of disability to age 65, less any income benefits received from workers compensation insurance, social security, and any life insurance provided by the Township. The benefits of this insurance do not cover sickness or accidents resulting from employment with another employer. The entire cost of this coverage shall be borne by the Township. The terms of this policy shall control this section, and an Officer drawing disability may be required to return to work at a position where their disability will not impair their ability to perform.

**Section 5. Liability Insurance.** The Township shall furnish liability insurance that shall be designed to protect Officers from personal liability for actions arising out of the course of their employment. The policy is incorporated herein by reference and the term of the policy shall control. To the extent of the coverage provided, the policy will guarantee an adequate defense for the Officer, if sued, and will provide a source of funding for any judgment rendered against an Officer.

The Union agrees that the Township is not a self-insurer and the liability of the Township does not, in any event, extend beyond the actual terms of the policy.

**Section 6. Pension and Retirement.** Each Officer shall receive pension benefits in accordance with the benefits outlined below as provided through the Michigan Employees Retirement System:

The retirement system shall consist of the following:

- A. Employees promoted into this unit on or after January 1, 2020 with a Defined Benefit Plan only shall be placed into this unit's Defined Benefit Plan. Employees promoted into this unit on or after January 1, 2020 with a combination Defined Benefit and Defined Contribution Plan shall retain it.
- B. Effective August 1, 2005, Officers will be covered by the Municipal Employees Retirement System (MERS) non-standard benefit of 2.75% multiplier with F50 (25 years), FAC-3, E-2, and D-2. Member contribution rate will be 11.24%.
- C. Vesting at one hundred (100%) percent to be effective after ten (10) years of complete service.
- D. Each Officer may make application no earlier than ten (10) years after their date of hire nor later than one (1) year before anticipated retirement to buy back a maximum of two (2) years of military service credit toward retirement. Said military buy back shall be paid for exclusively by the employee.
- E. The final average compensation shall be determined by using an average of the highest consecutive 3-year (36 months) period of earnings.
- F. The Township will provide health and hospitalization insurance coverage to retired Officers, and their spouse at the time of retirement, who receive a pension from the Township as follows:
  - 1. For employees hired before January 1, 2017:
    - a. Health and hospitalization coverage shall be provided to and on the same terms as current employees of the Township until the retiree is eligible for other coverage. The Township may offer alternative plans alongside

- base plan at its discretion. Retirees may add dependent children coverage, but at the retiree's expense.
- b. The Township may elect to change insurance plan or carriers. There shall be no loss of benefits as a result of the change in plan or carriers, except as provided above, however.
- c. The Township shall pay fifty (50%) percent of the monthly premium and the retired Officer or their spouse shall pay fifty (50%) percent of the monthly premium. The 50% Township contribution is limited to a retired Officer being an individual who is eligible to receive a pension benefit (including a disability pension) immediately after leaving the employment of the Township.

To be eligible for the above-referenced retiree health care benefits, the employee must be age fifty (50) and have completed twenty-five (25) years of actual service, including Act 88 reciprocity time, but excluding the purchase of generic time. This exclusion of the purchase of generic time shall only apply to such purchases occurring after November 23, 2010.

#### 2. For employees hired after January 1, 2017:

- a. Health and hospitalization coverage shall be as provided to and on the same terms as provided to current employees of the Township until the retiree is eligible for other coverage. The Township may offer alternative plans alongside base plan at its discretion. Retirees may add dependent children coverage, but at the retiree's expense.
- b. The Township may elect to change insurance plans or carriers. There shall be no loss of benefits as a result of the change in plan or carriers, except as provided above, however.
- c. The Township shall pay fifty (50%) percent of the monthly premium and the retired Officer or their spouse shall pay fifty (50%) percent of the monthly premium. The 50% Township contribution is limited to a retired Officer being an individual who is eligible to receive a pension benefit (including a disability pension) immediately after leaving the employment of the Township.
  - To be eligible for the above-referenced retiree health care benefits, the employee must be age fifty-five (55) and have completed twenty-five (25) years of actual service, including Act 88 reciprocity time, but excluding the purchase of generic time.
- 3. The Township shall also provide health and hospitalization coverage to employees who qualify for duty disability retirement, upon separation from the Township. The health and hospitalization shall be as provided to and on the same terms as current employees of the Township until the retiree is eligible for other coverage as called for in the collective bargaining agreement.

- 4. If the retired Officer accepts other employment and health insurance is available and is provided by that employer, then the Township shall not be obligated to provide the retired Officer with health insurance coverage. Failure to notify the Township will be grounds for eliminating the 50% Township share of the monthly premium. Retirees losing medical coverage from another source shall notify the Human Resources Office and may reenroll the first of the month following their loss of alternative coverage.
- 5. The retired Officer must apply for Medicare as soon as they are eligible. Upon receiving Medicare coverage, the Township shall reduce the present health insurance coverage to provide only the Medicare Supplement.
- 6. Should the retired Officer be covered with health insurance through their working spouse, then the Township shall not be obligated to provide health insurance while the retired Officer is eligible for dependent status coverage. Health insurance regulations shall govern.
- 7. Should the spouse survive the retired Officer, then the spouse shall continue to receive and be eligible for the above described health and hospitalization coverage.

#### **ARTICLE 21: OBLIGATION FOR CONTINUANCE OF SERVICE**

The Union recognizes that the cessation or interruption of services by Officers as defined by Section 1 of Public Act 336 of 1947 of Michigan, as amended, is contrary to law and public policy. Accordingly, the Union and the Officers agree that they will not direct, instigate, participate in, encourage, or support any cessation, interruption, or interference of services by any Officer or group of Officers.

Any Officer who participates in any such act may be disciplined or discharged without recourse to the grievance procedure herein provided, although the question of participation may be the subject of a grievance.

#### **ARTICLE 22: GRIEVANCE PROCEDURE**

**Section 1**. For the purpose of this Agreement, a grievance is a claim by an Officer, a group of Officers, or the Union that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement, the personnel policies of the Township insofar as applicable, or the written work rules of the Police Department.

**Section 2.** The grievance procedure shall consist of the following steps:

<u>Step 1 - Verbal</u> - An employee with a grievance shall within ten (10) days of the occurrence of the incident which gave rise to the grievance discuss it with the Chief of Police, or designated representative, with the purpose of resolving it informally. The Chief, or designated representative, shall give an answer within ten (10) days.

Step 2 - Written - Chief. If the grievance is not resolved, the grievance shall be reduced to writing. The CCLP shall have the right to utilize its own grievance form. The grievance shall be signed by the officer and the Union representative and filed with the Chief, within five (5) days from the date of the answer in Step 1. The grievance shall set forth the facts, including dates and provisions of the Agreement that are alleged to have been violated and the relief sought. The Chief, or designated representative, shall hear the grievance and have ten (10) days from date of receipt of the grievance to submit a decision to the Union steward, in writing.

<u>Step 3 - Township Manager</u>. If the Chief, or designated representative, does not satisfactorily adjust the grievance in Step 3, the Union shall have seven (7) days from the date of receipt of the decision in which to appeal, with written reasons for such appeal, the grievance to the Township Manager or designee. The Township Manager or designee will hear the grievance. A decision in writing shall be given to the Union representative by the Township Manager or designee within ten (10) days of receipt of the grievance.

<u>Step 4 - Arbitration</u>. If the CCLP is not satisfied with the disposition of the grievance by the Township Manager, the grievance may be submitted to an impartial arbitrator, but said

submission shall be made within twenty (20) days of receipt of the decision of the Township Manager. Notice of an intent to arbitrate shall be made by the CCLP in writing to the Township.

CCLP agrees to pay any fees related to obtaining a list of arbitrators. The parties may mutually agree in writing to use the process and procedure of the American Arbitration Association in lieu of the procedure set forth above.

Upon mutual agreement of the parties, an arbitrator may hear more than one case at a time.

The arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement or the written personnel policies of the Board. The jurisdiction of the arbitrator shall be limited to the claimed violation, misinterpretation, or misapplication of the terms of the Agreement and the written personnel policies and work rules of the Board, provided, however, that in the event of discipline cases, the jurisdiction of the arbitrator shall be limited solely to the power to determine whether the discipline was for just cause. In the event of discharge cases, the jurisdiction of the arbitrator shall be limited to the question of just cause and the propriety of discharge as a remedy. If the arbitrator determines absence of just cause in a discipline case, they may order reinstatement with back pay or payment to the employee of any contract benefits lost as a result of disciplinary action.

The arbitrator's fees and expenses, the filing fee, and the cost of any facilities used for the proceeding shall be borne equally by the parties. The fees of counsel, witnesses, or other parties shall be borne by the party incurring the same.

The decision of the arbitrator shall be final and binding upon both parties.

**Section 4**. Grievance proceedings shall be without loss of pay to the grievant and/or the Union representative involved, and said proceedings shall be conducted at the earliest practicable time. Both parties agree, however, that the primary obligation of both parties is the public safety of the citizens of Meridian Township and no proceedings shall be scheduled that would interfere with said duty.

**Section 5**. Probationary employees may be discharged and/or disciplined by the Township at any time prior to completion of the probationary period. Such discharge or discipline shall only be a subject for the grievance machinery as hereinafter provided.

**Section 6**. The time limitation set forth in the grievance procedure shall be strictly observed, but may be extended by written agreement of the parties. Saturdays, Sundays, and holidays shall not be counted when time limitations are concerned for submitting, answering, or scheduling grievance matters. A grievance may be withdrawn by mutual agreement at any time. Any grievance not processed to the next step by the Union within the specified time shall be considered settled on the basis of the last decision by the Township. Any grievance upon which a decision is not rendered within the applicable time limits by the responsible Township representative shall be considered to be automatically advanced to the next level.

**Section 7**. Notwithstanding the expiration of this Agreement, any grievance arising during the life of this Agreement may be processed through procedure until resolution.

- **Section 8**. For purposes of this Article, the Union shall appoint representatives and the names shall be filed with the Township. As changes are made in designation, the Union shall supply the Township with the changes. The Township shall not be obliged to discuss grievances with other than designated Union representatives.
- **Section 9**. Both parties agree to continue discussion regarding any unresolved disputes that have been ruled nonarbitrable by an arbitrator under this grievance procedure.
- **Section 10**. No grievance may be filed under this Agreement where the claim advanced indicates that the violation occurred in advance of the actual date of execution of this Agreement.
- **Section 11.** When a suspension is issued to an Officer, the time off shall be stated in the number of hours. The maximum number of hours for a suspension shall be 120 hours.
