August 1, 2018

Greetings Meridian Neighbor,

On behalf of the Land Preservation Advisory Board, I would like to invite you to a site visit of the recently acquired land preserve in your neighborhood on **Wednesday, August 8, at 6 p.m.** The property is located at the end of Del Mar Drive and also has frontage along the railroad tracks and Mt. Hope Road.

This is your opportunity to ask questions about the management of the land preserve and to participate in a site visit where we will begin to examine the property and discuss possibilities and constraints.

Township staff and the Land Preservation Advisory Board will be available to discuss the program's mission and the progress that has been made in the identification and acquisition of special properties in Meridian Township over the past eighteen years. Our underlying hope is that you will want to take an active interest in the stewardship of these beautiful areas.

We know we may have missed some people who would like to attend this presentation. If you have a neighbor, or belong to a neighborhood association that may be interested in this event, please pass along this invitation.

The Land Preservation Program is unique in this state as well as the country. We would like to share our successes and enthusiasm for the program.

We look forward to seeing you on Wednesday, August 8.

Sincerely,

Jane Greenway, LLA

Senior Parks and Land Management Coordinator

Kelsey Dillon

Park Naturalist and Stewardship
Coordinator
