1. Hunters will be assigned to specific properties.
2. Hunters are required to report participation throughout the season upon entering and exiting the property, each hunter will have two options for recording participation (entrance and exit times/dates), either through the use of the Facebook group 'Meridian Deer Management', or by email to [greenway@meridian.mi.us](mailto:greenway@meridian.mi.us) or [dillon@meridian.mi.us](mailto:dillon@meridian.mi.us).
3. Hunters must remain within 50 feet of the blind or stand while hunting.
4. It is expected that hunters will only take shots within their level of proficiency in accordance with hunter's ethics, which dictate that a shot is only taken when capable of effectuating a quick and humane harvest. Hunters using a compound bow should limit their shots to a maximum of 30 yards and those using a crossbow should limit their shots to a maximum of 40 yards.
5. Hunters are required to limit their shooting distance to that which will ensure the deer is put down quickly. Never take a shot if you are unsure of what lies beyond the target.

6. Safety harness use in tree stands is mandatory.
7. Tree stands and blinds must comply with MDNR rules for public land that state “a portable deer stand left overnight must have the hunter’s name and address on the stand and be readable from the ground.” If you would like to use another hunter’s stand or blind, you must contact them directly for permission to do so.
8. Use of bolts, screws, and screw-in type steps are not allowed. Stands and associated equipment may not pierce trees.
9. Township personnel will remove any and all stands and blinds that are in violation of the MDNR rules for public property.
10. No trail flagging material should be placed on trees, branches or other objects. Do not remove any existing flagging.
11. Absolutely no marking or defacing of any tree, plant, shrub, etc. However, small tree branches may be carefully trimmed to accommodate tree stands.
12. Fires and overnight camping are not permitted at any time.
13. Participants must carry proof of being a member of the deer management team at all times (small pink card).
14. Participants must display a Managed Deer Harvest Notice in their vehicle while hunting on township property.

If the hunter utilizes a personal tag they ARE permitted to keep the head and antlers (after CWD testing – the DNR will return it to the hunter).
