*Carver*

Wood Turtle

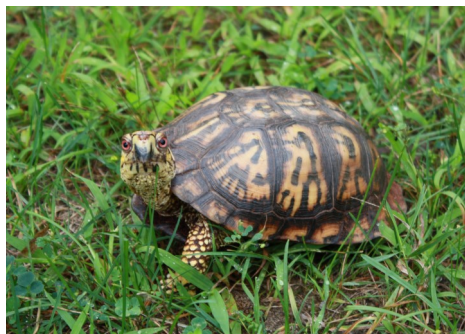

## Why Adopt?

Surrounded by 200 acres of forest and meadows, the Harris Nature Center is set on the banks of the Red Cedar River. This setting offers a wonderful opportunity for a variety of learning experiences for people of all ages. Adopting an animal is a great way to support the nature center's live animal educational programs. The Harris Nature Center houses several species of animals that are permanently injured or unable to return to the wild for another reason. Your support will help to ensure that these animals receive the proper care and nutrition they need to remain healthy and give you the satisfaction of knowing you are helping all animals flourish at the nature center.

*Brewer*

Common Snapping Turtle

*Cargo*

Eastern Box Turtle

Adoption gifts support the care for our animals. These animals give us the ability to provide inspirational programs for everyone!
