RE: Meridian Township Local Road Pavement Maintenance Program

Dear Resident:

As communicated previously, your street was scheduled for resurfacing in 2021. However, due to an overabundance of work in the construction industry this year, projects throughout the region took far longer than usual and resulted in numerous delays. This does not mean, however, that your street has been forgotten. Instead, in order to ensure a quality and long-lasting final product, the paving has been rescheduled for 2022. The streets listed below, including yours, will be the first streets done next spring.

The start date for construction each year is entirely weather dependent, but for paving work this is typically sometime in April or May. We will be sending out an additional notification letter early next year, prior to the start of paving, once the work is scheduled. We will also continue posting construction updates, as they become available, to the Township website under the “Local Road Crushing and Milling” tab, located here:

<https://www.meridian.mi.us/government/township-projects>

We sincerely apologize for any inconvenience caused by the delay, and we truly appreciate your patience and understanding while we work to improve your neighborhood and our entire community. If you have any questions or concerns, either before or during the construction work, please do not hesitate to reach out to the Department of Public Works. Contact information is listed on the top of this page.

Meridian Township Local Roads to be milled and resurfaced in spring 2022:

<u>Street</u>	<u>From</u>	<u>To</u>	<u>Tentative Start Date</u>
Overglen Court	Pine Hollow Dr.	Cul-de-Sac	SPRING 2022
Fenwick Court	Mereford Ct.	East End	
Mereford Court	Cul-de-Sac	Pine Hollow Dr.	
Pine Hollow Drive	Whitehills Lake Dr.	E. Saginaw St. (I-69BL)
