1. CALL MEETING TO ORDER

Meeting was held jointly with the Township Board to discuss the proposed November election.

6. BOARD ACTION ITEMS A. Proposed Date For The Recreational Marihuana Election Supervisor Styka explained that Michigan Law prohibits voting to opt out of recreational marihuana during a special election, and asked Attorney Matthew Kuschel to explain further. Matthew Kuschel, Township Attorney, further explained that a 13th Circuit Court Judge ruled against holding a similar election in Grand Traverse County, due to the ballot initiative appearing during a Special Election. The ruling also found the ballot initiative would appear on ballots at the next scheduled Regular Election. Kuschel went on to explain the issue was not with the validity of the petition, only the date of the election. Trustee Jackson arrived in the zoom call, but due to poor connection was not able to vote or speak. Trustee Sundland moved to rescind the resolution putting the ballot language prohibiting adult use marijuana establishments on the November 2nd, 2021 election and moved to direct the Clerk to place that ballot language on the next regular election. Seconded by Trustee Wisinski. ROLL CALL VOTE: YEAS: Treasurer Deschaine, Trustees Wisinski, Opsommer, Sundland, Clerk Guthrie, Supervisor Styka NAYS: None Motion carried: 6-0

Re: Precinct Split

The Michigan Bureau of Elections (BOE) states in Chapter 14 of the Election Officials Handbook;

“Each precinct must not contain more than 2,999 active registered voters. Inactive voters registered within a precinct may be removed from the overall precinct count. In townships and charter townships, the approval of all precinct boundary alterations must be granted by the local election commission.”

The BOE recommends local clerks review larger precincts to ensure they safely stay under the 2,999-voter limit. The Meridian Township Clerk’s Office has reviewed each Precinct carefully and identified Precinct 17 above the limit. This was identified by the BOE in November, 2021.

Since 2020, the size of Precinct 17 has increased to over 3,200 registered voters with over 2,900 active voters as of January 12, 2022. I recommend the township conduct a precinct boundary change and split Precinct 17 into two precincts to comply with the BOE. The previous Clerk combined Precincts 16 and 17 and I am making the recommendation to split Precinct 17 to meet the requirements and recommendation of the BOE.

“Under the Michigan Election Law, the boundaries of all precincts used to administer the August and November 2022 elections must be finalized by a resolution by the local election commission no later than April 4, 2022. Because 2022 is two years after a census year, the date is later than usual under a provision of the law that applies only in post-census even years.

Any precinct with more than 2,999 active registered voters must be divided into multiple precincts. Precinct boundary alterations made by the April 4, 2022 deadline must go into effect no later than May 4, 2022. (MCL 168.661(2)).”

2. Former Precinct 16 and 17 Boundary Map
3. Proposed Precinct 16 and 17 Boundary Map

Now therefore be it resolved, motion to approve the following resolution to split Precinct 17 to meet Michigan Election Law.

Re: Redraw Precinct 6 and Precinct 10 Boundary Lines

Michigan election law stipulates that all precincts “shall be composed as nearly as practicable of compact and contiguous territory and shall have clearly defined and clearly observable boundaries.” A “clearly observable boundary” is defined under the law as follows:

- A named road or street.
- A road or highway that is part of the federal, state primary, or state secondary road system.
- A river, stream, or drainage feature that is 40 feet or more in width.
- A natural or constructed permanent physical feature that is shown on an official county, city, or township map issued by the Department of Transportation or a United States geological survey topographical map.
- An apartment building, a dormitory or other permanent multiple-unit housing structure.
- A village or school district boundary line.

“Under the Michigan Election Law, the boundaries of all precincts used to administer the August and November 2022 elections must be finalized by a resolution by the local election commission no later than April 4, 2022. Because 2022 is two years after a census year, the date is later than usual under a provision of the law that applies only in post-census even years.

Precinct boundary alterations made by the April 4, 2022 deadline must go into effect no later than May 4, 2022. (MCL 168.661(2)).”

Now therefore be it resolved, motion to approve the following resolution to for precinct boundary alterations in Precinct 6 and Precinct 10 granted by the local election commission.

RESOLUTION TO APPROVE

**Redraw Precinct 6 and Precinct 10
Boundary Lines**

RESOLUTION

At a meeting of the Election Commission of the Charter Township of Meridian, Ingham County, Michigan, held at the Meridian Municipal Building, in the Township on the 23rd of February, 2022, at 6:00 pm, local time.

PRESENT:

ABSENT:

The following resolution was offered by Commissioner _____ and supported by Commissioner _____.

WHEREAS, Section 116-1954-XXVIII, Election Precincts, of the Michigan Election Law, Public Act 16 of 1954, MCL 168.654 to 168.661, provides for Charter Township Election Commissions to divide, rearrange, and consolidate election precincts; and

WHEREAS, the reapportionment of County Commission Districts apportioned two (2) additional County Commission Districts in Meridian Township; and

WHEREAS, the apportionment of these new County Commission Districts apportioned by the Ingham County Apportionment Committee created County Commission District 12, 13, 14, and 15.

WHEREAS, two of the four County Commission Districts are shared with other municipalities; and

WHEREAS, the apportionment of County Commission District 13 creates a dual ballot in Precinct 6; and

WHEREAS, when a single precinct has two or more commissioners, a separate ballot style is required so that each voter is voting only for the commissioner geographically allocated to them; and

WHEREAS, dual ballots can cause confusion with voters and election workers within a precinct because there are two different types of ballot styles in one precinct, and

WHEREAS, in an effort to maximize election efficiency it is recommended to redraw precinct lines so that no precinct will ever contain more than one County Commission District; and

WHEREAS, redrawing the boundary line for Precinct 10 moving the east boundary line along Okemos Road from Burcham Road to Grand River toward the east along Marsh Road from Tihart Road to Grand River eliminates a dual County Commission District ballot; and

WHEREAS, redrawing Precinct 6's most southern boundary line south of Grand River along the Red Cedar River to redrawing it along Grand River from Van Atta Road to Meridian Road makes more sense and creates less confusion; and

WHEREAS, moving the boundary lines do not create an issue with meeting BOE requirements for precinct size limitation; and

WHEREAS, as of February 18, 2022, Precinct 6 has 1,602 registered voters and Precinct 10 has 1,721 registered voters; and

WHEREAS, the new boundary line going north – south along Marsh road will largely include Meridian Township municipally owned property; and

WHEREAS, the new boundary line going east – west along Grand River only includes a small number of homes and minimally impacts voters; and

WHEREAS, the new boundary lines for State Representative which includes a new house district; the 75th District and 73rd District, is along Grand River going eastern most and western most portion of the township; and

WHEREAS, it is not anticipated that future development, if any, in these areas will increase voter registration substantially; and

WHEREAS, Michigan election law stipulates that all precincts “shall be composed as nearly as practicable of compact and contiguous territory and shall have clearly defined and clearly observable boundaries.” and;

WHEREAS, Michigan election law states a “clearly observable boundary” is defined under the law as follows:

- A named road or street.
- A road or highway that is part of the federal, state primary, or state secondary road system.
- A river, stream, or drainage feature that is 40 feet or more in width.
- A natural or constructed permanent physical feature that is shown on an official county, city, or township map issued by the Department of Transportation or a United States geological survey topographical map.
- An apartment building, a dormitory or other permanent multiple-unit housing structure.
- A village or school district boundary line.

WHEREAS, the Charter Township of Meridian Election Commission is recommending redrawing boundary lines for Precinct 10 and Precinct 6, is appropriate; and

WHEREAS, precinct boundary changes must be approved no later than 210 days prior to the August primary in an even numbered year; however, in the second year following the federal census precinct boundary changes must be approved no longer than 120 days following the August primary. (MCL 168.661(3)); and

WHEREAS, under the Michigan Election Law, the boundaries of all precincts used to administer the August 2022 and November 2022 elections must be finalized by a resolution by the local Election Commission; and

WHEREAS, precinct boundary alterations made by the April 4, 2022 deadline must go into effect no later than May 4, 2022. (MCL 168.661(2))
