10-Mile Bike Tour

Virtual Sustainable Home & Landscape Tour Kick-off

Saturday, October 1
10:00 am

Community members are invited to meet at Marketplace on the Green for a 10-mile bike ride, visiting several eco-friendly destinations in the Township.

The bike tour kicks off the Virtual Sustainable Home & Landscape Virtual Tour held during the month of October. The tour will highlight a multitude of "green" sites in the Township.

Note: Bicycle helmet and flat repair kit are strongly recommended.

- A. Start: Marketplace on the Green - Bike repair station.
- B. Okemos Road Pedestrian/Bicycle Bridge and Overlook
- C. GreenStop: Lake Lansing Park South
- D. GreenStop: Residential Solar Array - Lafferty Residence
- E. Don Lillrose Perennial Garden
- F. Cameron Residence
- G. Meridian Recycling Center
- H. Kuzma/Lake Lansing South Preserve/Spangler Marsh
- I. GreenStop: Haslett Community Church
- ● ● Alternative Route: This off-road alternative route runs through a diverse natural area behind Haslett High School.
- J. GreenStop: Floating Bio-Filters - Central Park South
- K. End: Marketplace on the Green
