Hearing no objections, items of communication were accepted for filing.

4. Review and Reassignment of Temporary Precinct Locations for the November 8, 2022 General Election

Clerk Guthrie reviewed the current polling locations and feedback received from election inspectors, residents and staff. The following concerns were raised on the location of Precinct 9, Church of the Nazarene, located at 1906 Hamilton Road, Okemos: one drive in and out of the site, the public area that was used for the voting area is too small to accommodate a primary election, musty smell from AC, backup on the roadway causing traffic issues, ability for emergency vehicles to enter, etc. After reviewing other possible precinct sites and in-person voting numbers, it is the recommendation of the Clerk Guthrie to relocate Precinct 9 to the Faith Lutheran Church where it will co-locate with Precincts 7 and 8. There is sufficient open public areas and parking to accommodate three (3) precincts.

**Commissioner Wisinski moved to recommend to the Township Board to relocate Precinct 9 currently at the Church of the Nazarene to Faith Lutheran Church, to co-locate with Precincts 7 and 8. Seconded by Commissioner Sundland**

VOICE VOTE: Motion carried 3-0.

**Re: Election Commission Action Items**

---

The Election Commission is required to approve the establishment of an Absentee Voter Counting Board and appoint Inspectors to serve; establish a Receiving Board and appoint Inspectors to serve; and appoint Precinct Inspectors; all subject to adjustments as necessary.

The Election Commission must also schedule a public accuracy test for the November 8th, 2022 State General Election. The public accuracy test needs to be scheduled to take place no later than November 3rd. I would recommend the test be held on Friday, October 28th at 4 pm.

Also Jurisdictions with a population over 10,000 will be eligible for pre-processing. Pre-processing is allowed on the Sunday and Monday before Election Day from 7:00 a.m. to 8:00 p.m. Clerks have the option to utilize one, both, or neither of the days. Election inspectors appointed by the Local Election Commission between 21 and 40 days prior to when preprocessing will start may participate in pre-processing. For the November 2022 election, this must be done by October 16 or 17, 2022, depending on when you start preprocessing. You must appoint at least one inspector from each major political party.

The following motions should be considered:

**"Move to approve the resolutions of establishment of an Absentee Voter Counting Board and the appointment of Inspectors to serve; to establish a Receiving Board and the appointment of Inspectors to serve; and to appoint Precinct Inspectors to serve; and to approve the pre-processing of Absentee Ballots on November 6th and November 7th of 2022; and to appoint inspectors to serve all subject to adjustments as necessary, for the November 8, 2022 State General Election.**

**"Move to Hold the November 8th, 2022 State General Election Public Accuracy Test on Friday, October 28 at 4 pm."**
