In compliance with your invitation for bids, bidder hereby proposes to perform all work related to aquatic herbicide treatments of Lake Lansing, Charter Township of Meridian, Ingham County, Michigan, in strict accordance with the contract documents, within the time set forth therein, and at the prices stated below.

By submission of this bid, the bidder certifies that this bid has been arrived at independently without consultation, communication, or agreement as to any matter relating to this bid with any other bidder or with any competitor.

Further, the bidder also certifies that he/she has examined the contract documents and the location of the work described herein and is fully informed as to the nature of the work and the conditions relating to its performance.

The bidder understands that the acreages listed are approximate only and subject to either increase or decrease. With the exception of the permit application fee, all work described in the contract documents and required for completion of the project shall be considered as incidental work unless designated as a pay item on the Bid Form.
