1. CALL MEETING TO ORDER

Supervisor McGillicuddy called the meeting to order at 6:00 P.M.

2. PLEDGE OF ALLEGIANCE/INTRODUCTIONS

Supervisor McGillicuddy led the Pledge of Allegiance.

3. ROLL CALL

The secretary called the roll of the Board.

4. PUBLIC REMARKS

Supervisor McGillicuddy opened and closed Public Remarks.

5. REPORTS/BOARD COMMENT/NEW WORRIES

A. Treasurer's Quarterly Report

Treasurer Brixie gave an update on current fixed investments, non-fixed investments, delinquent personal property tax collections for 2005-2009 and 2010 distribution totals as of January 31, 2011. She also reported 2010 tax year collections and 2009 tax year collections, as of February 14, 2011 and February 14, 2010 respectively. Treasurer Brixie indicated as of February 14, 2011 total tax collections were approximately \$80,018,000.

Supervisor McGillicuddy announced all communities are "on board" with the Capital Area Transportation Authority's Michigan/Grand River Avenue Corridor Study. She also announced the Intergovernmental Meeting will be held on February 22, 2011 in the Township Hall at 7:00 P.M. Supervisor McGillicuddy reported that Saturday, February 12<sup>th</sup> was Blue Cross and Blue Shield's kickoff for the Community Partners in Health Program entitled Walking Works. She added there is a financial incentive to participation, with the money going to the Township's pathway program.

Trustee Dreyfus announced the third meeting of the Meridian Time Bank will be held on Saturday, February 26, 2011 at 11:00 A.M. in the Meridian Activity Center. He reported there will be a comprehensive meeting in the near future where the Time Bank website will be officially launched.

Trustee Veenstra announced his attendance at the February 9<sup>th</sup> Transportation Review Committee Meeting of the Tri-County Regional Planning Commission (TCRPC) where a major trail in Delhi Township was approved. He noted there will be a June conference on Designing Healthy Communities. Trustee Veenstra reported Harmony Gmazel, TCRPC's Land Use Planner, is currently working on a complete streets code with East Lansing and Lansing Township, and believed Meridian Township should take advantage of her services as well.

Supervisor McGillicuddy reminded Board members the complete streets concept was included in the Board Policy update.

Treasurer Brixie invited residents to the 2011 MARC Entrepreneurial Recognition Award Ceremonies on Thursday, February 24, 2011 from 6-8:00 P.M. in the Meridian Historical Village. She reported her attendance at February's Economic Development Corporation meeting where the members are working on the strategic plan.

8. QUESTIONS FOR THE ATTORNEY

9. HEARINGS

A. 2011 Order to Maintain Sidewalks, Special Assessment District No. 12

Supervisor McGillicuddy opened the public hearing at 6:15 P.M.

Director Severy summarized the 2011 Order to Maintain Sidewalks Special Assessment District No. 12 as outlined in staff memorandum dated February 11, 2011.

Rita Rademacher, 2353 Graystone Drive, Okemos, spoke in opposition to her proposed assessment for the 2011 Order to Maintain Sidewalks, Special Assessment District No. 12. She asked where her property tax money was being spent, in light of the poor condition of the roads; Okemos Road in particular.

Township Manager Richards clarified if residents question an assessment, staff will revisit the property with the resident and apply the standards which are used to assess repair. He added the Township has a millage for local streets and staff assesses which streets need repair. Manager Richards noted that Okemos Road is a primary road and the responsibility of the Ingham County Road Commission.

Ms. Rademacher asked if an entire square slab is replaced.

Director Severy responded when the Township repairs sidewalks, a minimum of one 5' X 5' section is replaced. He added that in the event the slab has just settled and is not cracked, the resident can hire a contractor to raise the slab, which may be a less expensive alternative.

Mandie Roberts, 2612 Raphael, East Lansing, spoke in opposition to her proposed assessment for the 2011 Order to Maintain Sidewalks, Special Assessment District No. 12. She requested the letter sent to residents alerting them of the proposed assessment be more descriptive to avoid confusion.

Rob Pairolero, 5672 Shaw Street, Haslett, spoke to the need for clarity in the letter sent to residents regarding the proposed assessment. He asked why there was a delay in not sending out the letter until January when the actual assessment was conducted in the fall.

Manager Richards responded the state dictates the special assessment process timeline which must be followed. He added the Township began the process earlier in an attempt to be more cost effective.

Mr. Pairolero inquired as to the criteria used by the Township to "flag" slabs of sidewalk for repair.

Director Severy clarified staff looks for wide cracks or a one inch or greater lift in the sidewalk. He added the premise behind these criteria is to ensure safety of residents using the sidewalks. Directory Severy noted freeze/thaw cycles can change the condition of a sidewalk from the time of flagging to the time of repair in the summer.

Mr. Pairolero believed there were inconsistencies in the application of the criteria, showing photos where a slab with a lift of over two inches was not flagged. He asked if there were specifications which must be met in the event a homeowner wishes to repair their sidewalk.

Township Manager Richards indicated the Township has specifications which it can provide to residents who wish to contract their own repair.

Director Severy added that if the Township has marked a sidewalk slab for repair, the property owner must obtain a no-charge permit and follow Township standards. In response to a statement from Mr. Pairolero, he noted that an asphalt patch is temporary and not allowed as an alternative to replacement.

Mr. Pairolero inquired as to why only Special Assessment District No. 12 was identified for repair.

Township Manager Richards responded that staff systemically goes through the Township over a seven year period in a revolving fashion to effectively manage all sidewalk repairs.

Denise Sancrante, 2677 Blue Haven Court, spoke in opposition to her proposed assessment for the 2011 Order to Maintain Sidewalks, Special Assessment District No. 12. She requested staff review the two sections which have been flagged, as these sections have been in their current state for the past 22 years and have never been marked for repair.

Supervisor McGillicuddy closed the public hearing at 6:39 P.M.

10. ACTION ITEMS/ENDS

Supervisor McGillicuddy opened public comment.

Bill Fahey, 4151 Okemos Road, Okemos, spoke in opposition to Rezoning #10070, as he believed there are serious land use issues with respect to the property located at 4133 Okemos Road.

Supervisor McGillicuddy closed public comment.

- A. Rezoning # 10070 (Wiggins), request to rezone 4133 Okemos Road from RA (Single Family-Residential) to PO (Professional Office), **Final Adoption**

**Trustee Veenstra moved [and read into the record] NOW THEREFORE, BE IT RESOLVED THE TOWNSHIP BOARD OF THE CHARTER TOWNSHIP OF MERIDIAN hereby FINALLY ADOPTS Ordinance No. 2011-01 entitled “Ordinance Amending the Zoning District Map of Meridian Township Pursuant to Rezoning #10070” from RA (Single Family-Medium Density) to PO (Professional and Office).**

**BE IT FURTHER RESOLVED that the Clerk of the Charter Township of Meridian is directed to publish the Ordinance in the form in which it is FINALLY ADOPTED at least once prior to the next regular meeting of the Township Board. Seconded by Trustee Dreyfus.**

Board members and staff discussed the following:

- Former Kinder Care site, across Okemos Road from the Delta Dental complex
- Bordered on the north and south by office buildings
- Belief that the current RA zoning is an “historical accident”
- Designated on the Future Land Use Map as PO
- Existing vacant building to be reused as a professional office

- Reminder that the Board should not consider potential uses other than those allowed by right in PO
- Dangerous drugs of our society are tobacco, alcohol and prescription drugs
- The most dangerous drug dispensary in Meridian Township is found in our own medicine cabinets
- Concern with adequate parking in the event there is an excessive number of patients
- Master Plan is a guide for the future, not a zoning map
- Unnecessary to rezone as there is a “glut” of vacant office space currently within the Township
- Code allows for several non-residential uses in a residential district
- Concern with Board focus on the potential use

ROLL CALL VOTE: YEAS: Trustees Dreyfus, Veenstra, Supervisor McGillicuddy  
NAYS: Trustee LeGoff, Treasurer Brixie  
Motion failed 3-2.\*

[\*NOTE: Four (4) affirmative votes of the Board are required for passage of zoning amendments.]

B. 2009 State of Michigan Construction Code Updates

**Treasurer Brixie moved [and read into the record] NOW THEREFORE BE IT RESOLVED THE TOWNSHIP BOARD OF THE CHARTER TOWNSHIP OF MERIDIAN hereby INTRODUCES FOR PUBLICATION AND SUBSEQUENT ADOPTION Ordinance No. \_\_\_\_\_, entitled “Ordinance Amending the Code of the Charter Township of Meridian, Michigan, Chapter 14, Article III, Division 2, by amending Section 14-81.”**

**BE IT FURTHER RESOLVED that the Clerk of the Charter Township of Meridian is directed to publish the Ordinance in the form in which it is introduced at least once prior to the next regular meeting of the Township Board. Seconded by Supervisor McGillicuddy.**

Board members discussed the following:

- Township compliance with changes in state law
- Section 14.81 speaks only to the Township’s rental housing ordinance

ROLL CALL VOTE: YEAS: Trustees Dreyfus, LeGoff, Veenstra, Supervisor McGillicuddy,  
Treasurer Brixie  
NAYS: None  
Motion carried 5-0.

**Without objection, Supervisor McGillicuddy appointed Trustee Dreyfus as Clerk Pro Tem.**

11. DISCUSSION ITEMS/ENDS

Supervisor McGillicuddy opened and closed public comment.

A. 2011 Order to Maintain Sidewalks, Special Assessment District No. 12

Board members discussed the following:

- Engineering staff to meet with tonight’s speakers to address their concerns
- Need for more clarity in the special assessment notice to property owners
- Need for better timing to allow residents to view their sidewalks
- Concern with slowing the process down by tying the notification process to the weather
- Board member request to include information in the special assessment letter to property owners that sections of sidewalk slated for repair are noted with pink dots

**The consensus of the Board was to place this item on for action at its March 1, 2011 meeting.**

B. Amendment to the Wetland Protection Ordinance for compliance with state law

Director Kieselbach summarized the proposed amendment as outlined in staff memorandum dated February 11, 2011.

Board members and staff discussed the following:

- Attorney has reviewed and approved the proposed language
- Language on Page 21, subsection 5 and 6 are directly from the state act
- Township uses the same application criteria as the state
- Ordinance amendments require one vote for introduction and one vote for final adoption

**The consensus of the Board was to place this item on for action at its March 1, 2011 meeting.**

C. Zoning Amendment #10080 (Planning Commission), request to add Section 86-444 Commercial Planned Unit Development (C-PUD) to the Code of Ordinances

Director Kieselbach summarized the proposed zoning amendment as outlined in staff memorandum dated January 27, 2011.

Board members and staff discussed the following:

- Board request for the MUPUD and C-PUD deadlines to be consistent
- Need to allow the Board to take the time it needs as some projects are very complex
- Timeline in the draft CPUD ordinance and the MUPUD mirrors the planning process laid out by the state
- Concern allowing the Board to “take the time it needs” could present a hardship to an applicant attempting to do business in the Township
- 30 days for Board decision and 60 days for Planning Commission decision is not arbitrary as it is in the MUPUD
- Need for a timeline in order to be fair to applicant’s desiring to do business in Meridian Township
- Board member preference for both the Board and the Planning Commission to both have 60 days to make a decision
- Staff reminder that the 30 day timeline starts after the public hearing
- Board reliance on the Planning Commission to do the majority of the work and make a recommendation to the Board
- Zoning amendment was written for planned unit developments without the residential component
- Zoning amendment allows the Board to have the option to look at lot coverage, setbacks, etc. to institute a waiver(s) and not have the waivers go before the Zoning Board of Appeals (ZBA)
- All MUPUD’s must have a residential component
- Concern sweeping changes in this ordinance “politicizes” the system and takes away some of the protection currently in place
- Planning Commission will hold a public hearing on the MUPUD at its February 28, 2011 meeting
- Subsection (e) (4) – reword “increase in impervious surface coverage” waiver to show Board desire to decrease overall impervious surface on the site
- Subsection (e) (7) – remove “exceed maximum building height” from the waiver language as it will impact adjacent residential property
- Wetland setback is listed as a waiver in the MUPUD
- Rewrite language in subsection (e)(5) to allow only for reduction of building perimeter landscaping as a waiver
- Concern that language contained in subsection (g) (3) which states building materials shall be the same on all sides is unnecessarily restrictive and will increase expenses
- Building materials the same on all sides is necessary to protect aesthetics of residential property which abuts a project
- Need for Board flexibility to allow for different material treatments on different sides of the building
- Suggestion to change language in Subsection (g) (3) to read: “Quality building materials shall be used on all sides”
- Reminder that the Board makes the decision on all waivers

- Building elevations required to be part of the application so the Board will look at those as the application moves through the process
- Concern that subsection (g) (1) does not include concrete block
- Request for staff to provide a revision which includes strikeouts and new language
- Board desire to hold a public hearing
- Request to pass the MUPUD ordinance prior to a Board vote on the C-PUD

**It was the consensus of the Board to place this item on for further discussion at its first opportunity.**

~~D. Update to Board Priorities~~

- E. Zoning Amendment #10010 (Township Board), a request to amend Section 86-368 (b) (2) Home Occupations to update the allowed uses and standards for home occupations  
Director Kieselbach summarized the proposed zoning amendment as outlined in staff memorandum dated February 9, 2011.

Board members discussed the following:

- Board member preference to remove “entirely” from the definition of home occupation
- Board member preference to remove “and does not involve any alteration of the structure or its character” from the definition of home occupation
- Board member suggestion to eliminate “No outdoor activities” from subsection (2) b.4.
- Board member suggestion to strike “and attached flat against the building,” from subsection (2) b. 6. as the sign may not be seen from the road
- Board member suggestion to change the size of the sign to allow the same size as day care facility signs in subsection (2) b. 6.
- Board member preference to remove (9) No merchandise or supplies shall be displayed or directly sold on the premises
- Preference to eliminate Option 3 and 4 contained in the staff memorandum dated February 9, 2011
- Preference to select Option 2 contained in the staff memorandum dated February 9, 2011
- Board member preference to include a registration process for home occupations
- Subsection (2) b. 8. covers subsection (2) b. 10
- Concern with including offices of professionals licensed by the State of Michigan to treat human patients as a home occupation (Subsection (2) a. 4)
- Preference to allow dietitians/nutritionists, massage therapists, psychologists and psychiatrists in subsection (2) a. 4
- Consensus for removal of (2) b. 3 regarding language for outside employee

**It was the consensus of the Board to direct staff to make suggested changes and place this item on for action at its March 1, 2011 Board meeting.**

F. Ordinance to Regulate Utility Structures

Director Kieselbach summarized the proposed ordinance as outlined in staff memorandum dated February 11, 2011.

Board members and staff discussed the following:

- Preference by the utility companies to move standards into Engineering’s construction standard manual to eliminate the need to seek a waiver
- Dynamics of utility structure placement is on a case-by-case basis
- Appeal process is beneficial for the various utility companies, residents and staff
- Sec. 78-407. (1) – Change 10 days to 10 business days
- Sec. 78-407. (3) – Change not less than five (5) days to 10 days
- Sec. 78-407. (3) – Not less than five (5) days allows for more than five (5) days
- Appeal process language was taken from the current lighting ordinance
- Utility company concern that the process be as timely as possible
- Utility companies must show location prior to installation

**It was the consensus of the Board to place this item on for action at its March 1, 2011 Board meeting.**

12. PUBLIC REMARKS

Supervisor McGillicuddy opened Public Remarks.

Will White, 2142-½ Hamilton Road, Okemos, believed the Board should revisit the issue of a water main extension at 743 Grand River Avenue. He indicated the language contained in Zoning Amendment #10010 is too restrictive and unnecessary.

Supervisor McGillicuddy closed Public Remarks.

13. FINAL BOARD MEMBER COMMENT

Trustee Veenstra agreed with the previous speaker that Zoning Amendment #10010 (Home Occupations) is too restrictive.

14. ADJOURNMENT

Supervisor McGillicuddy adjourned the meeting at 8:30 P.M.
